EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Christopher W. Brody on 11/23/07.

Cancel claims 24-25 and 39-40.

In Claim 53 after "admixing the perfume concentrate" insert -- comprising at least one essential oil --, and after "with" replace [a composition] with -- a solubilizer comprising an association of --.

In Claim 56 after "perfume concentrate" insert -- comprising at least one essential oil, and a solubilizer comprising an association of a --.

Allowable Subject Matter

Claims 26-38 and 41-57 are allowed.

The following is an examiner's statement of reasons for allowance: the examiner agrees with the Applicants' remarks that the prior art of Komata (the full translation is attached to the present Office action as provided by the Applicants) does not teach or fairly suggest that the perfume concentrate comprises "at least one essential oil", which makes a difference for the compositions used for the perfume.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Yelena G. Gakh, Ph.D. whose telephone number is (571) 272-1257. The examiner can normally be reached on 9:30 am - 6:00 pm.
